FORWARD-LOOKING STATEMENTS

This press release contains a number of forward-looking statements. In many cases forward-looking statements are identified by words, and variations of words, such as "anticipate", "estimate", "believe", "commit", "confident", "continue", "could", "intend", "may", "plan", "potential", "predict", "positioned", "should", "will", "expect", "objective", "projection", "forecast", "goal", "guidance", "outlook", "effort", "target", and other similar words. However, the absence of these words does not mean the statements are not forward-looking. Examples of forward-looking statements include, but are not limited to, revenue, operating income, earnings per share and other financial projections, statements regarding the health and growth prospects of the industries and end markets in which Tyco operates, the leadership, resources, potential, priorities, and opportunities for Tyco in the future, Tyco's credit profile, capital allocation priorities and other capital market related activities, and statements regarding Tyco's acquisition, divestiture, restructuring and other productivity initiatives. The forward-looking statements in this press release are based on current expectations and assumptions that are subject to risks and uncertainties, many of which are outside of our control, and could cause results to materially differ from expectations. Such risks and uncertainties include, but are not limited to: economic, business, competitive, technological or regulatory factors that adversely impact Tyco or the markets and industries in which it competes; unanticipated expenses such as litigation or legal settlement expenses; tax law changes; and industry specific events or conditions that may adversely impact revenue or other financial projections. Actual results could differ materially from anticipated results. Tyco is under no obligation (and expressly disclaims any obligation) to update its forward-looking statements. More detailed information about these and other factors is set forth in Tyco's Annual Report on Form 10-K for the fiscal year ended Sept. 27, 2013 and in subsequent filings with the Securities and Exchange Commission.
